SUGGESTED USE

- Can be used to separate large rooms into smaller learning enhancement areas.
- Boards can be rearranged to feature all dry-erase on one side by easily removing and replacing connectors.
- Place the partition on a level, stable surface.
- Lock all casters when the partition is in a stationary position.
- Magnetic whiteboard surface for use with standard dry-erase markers.
- Velcro compatible flannel fabric.
- Panels fold together for storage when not in use.

⚠ WARNING

- ▲ Adult assembly required.
- ▲ Adult supervision required.
- ▲ Small parts and sharp points may be present prior to assembly.
- ▲ Do not place near heat, moisture or vaporizer which may cause internal structure to warp.

Assembly

Partitions are connected, caster/leg assembly required. All parts and instructions for adult assembly included.

Maintenance

Check for loose or worn parts periodically and tighten or replace as necessary. Remove the product from service when any condition develops that might deem operation unsafe.

Construction

Sturdy and durable, the frame is anodized aluminum with steel legs and eight non-marring nylon locking casters. Partitions feature a white EverClear™ dry-erase surface on one side and 0.15mm thick felt made of needled polyester fiber density 150g/m² on the other.

Care and Cleaning

Clean whiteboard with water and soft cloth. For ghosting, use an alcohol-based cleaning solution. Never use soap or any cleaning product that might leave a residue.
