Product Guide

Classic North American Oak Rocking Chair
ELR-15340 Child
ELR-15341 Adult

IMPORTANT INFORMATION
Read all instructions before beginning assembly. Keep instructions for future use.

SUGGESTED USE
- ELR-15340 Child Rocker is intended for use by children weighing up to 75 pounds. Designed for ages 3-7.
- ELR-15341 Adult Rocker is intended for use by adults weighing up to 300 pounds.
- Place the rocker on a level stable surface and make sure the rocker has space to rock backwards.

⚠️ WARNING
- Adult assembly required.
- Adult supervision required.
- Small parts and sharp points may be present prior to assembly.
- Use caution when sitting in chair to prevent rocking over hands or feet.
- Rocking too hard could cause tipping of chair and injury.
- Do not exceed the weight capacity.

Assembly
The ready-to-assemble rocker is shipped in two parts. We suggest affixing the top portion to the bottom portion on a sturdy work surface such as a table with the included hardware and tools.

Maintenance
Check for loose or worn parts periodically and tighten or replace as necessary. Remove the product from service when any condition develops that might deem operation unsafe.

Construction
The rockers are made of sturdy North American Oak with mortise and tenon joinery.

Care and Cleaning
Clean wood with a damp cloth or sponge using warm water and mild soap. Wipe dry. Do not place near heat, moisture or vaporizer which may cause wood to warp and peel.

Registration & Warranty
Get the most out of your ECR4Kids product by registering it at www.ecr4kids.com/registration.
Limited Lifetime Warranty.

Hardware
To order replacement hardware, contact Customer Service with a description of the part(s) needed and the Batch ID code underneath the seat board.
