Product Guide

Utility Rolling Cart
ELR-20701 3-Tier
ELR-20702 4-Tier

IMPORTANT INFORMATION
Read all instructions before beginning assembly. Keep instructions for future use.

SUGGESTED USE
- ALWAYS ensure the cart is on a flat and level surface during use.
- Weight Capacity: 20 lb per shelf.

WARNING
- Contains small parts and sharp points.
- Two adults recommended for assembly.
- Do not stand, sit, kneel, climb, lean or pull on unit for support.
- Do not exceed the unit’s weight capacity.
- Adult supervision recommended.
- Indoor use only.

Assembly
Cart is ready to assemble. All parts and instructions for adult assembly included. Screwdriver not included.

Maintenance
Check for breakage, loose or worn parts periodically and tighten or replace as necessary. Remove the product from service when any condition develops that might deem operation unsafe.

Construction
Sturdy and durable, the cart is made of powder coated steel.
Carts are designed with adjustable shelf heights. Each shelf has two height options to adapt to various storage needs. Included polypropylene sheets provide an optional solid surface.

Care and Cleaning
Clean unit with damp cloth or sponge using warm water and mild soap. Wipe dry. Do not use abrasive cleaners, bleach, chemical solvents, and strong detergents.
Do not place near heat or moisture.

Registration
Get the most out of ECR4Kids products by registering at www.ecr4kids.com/registration.

Hardware
To order replacement hardware, contact Customer Service with a description of the part(s) needed and the Batch ID code underneath the bottom tube.
